

## **Mobile Domestic Gas Engineer!**

Are you a skilled and passionate Domestic Gas Engineer looking for an exciting opportunity? Look no further! We're seeking a motivated individual to join our client as a Mobile Domestic Gas Engineer, taking on a range of responsibilities that will showcase your expertise and dedication.

**Position:** Mobile Domestic Gas Engineer.

**Salary:** TBC.

**Hours:** 40hrs, Mon-Friday, weekend call out rota 1 in 6.

**Contract type:** Permanent.

**Location:** Devizes

### **Role Overview:**

As a Mobile Domestic Gas Engineer, you'll be the driving force behind ensuring the comfort and safety of countless households and non-domestic properties. Your key responsibilities will include:

- Conducting breakdown, service, and maintenance tasks on a variety of domestic and non-domestic heating systems and hot water systems.
- Undertaking minor installation work for HVAC systems, troubleshooting issues, and executing necessary remedial actions.
- Carrying out planned preventative maintenance on various gas appliances, heating systems, and hot/cold water systems.
- Diagnosing faults in gas boilers, heating systems, and water systems, and implementing effective repairs.
- Responding promptly to emergency gas leaks, ensuring the situation is safe and under control.

### **Qualifications:**

To excel in this role, you'll need the following qualifications:

- Gas Certifications: CCN1, CEN1, WAT1, CENWAT, CPA1, CKR1, HTR1
- OFTEC accreditation such as OFT10-101, OFT10-105E, OFT10-600a (advantageous but not essential)
- City & Guilds or NVQ 2/3 in relevant Mechanical discipline or equivalent experience
- Recognized Health & Safety training
- Ability to pass DBS/Police background checks (possibly required in the future)

### **What We Offer:**

- **Competitive Salary:** We value your expertise and offer a competitive package for your skills.
- **Comprehensive Equipment:** We provide a fully equipped van, PDA, and mobile phone allowance, along with any specialist tools you may require.
- **Safety First:** Your safety matters to us; we ensure you have the necessary personal protective equipment (PPE) to work comfortably.
- **Work-Life Balance:** Enjoy a stable 40-hour workweek that allows you to maintain a healthy work-life balance.
- **Career Advancement:** We're committed to helping you grow professionally and provide opportunities for career advancement.
- **Additional Benefits:** Enjoy other benefits such as holidays, pension plans, and more, which will be discussed in detail during the interview.
